Erasure - A Little Respect

I try to discover
A little something to make me sweeter
Oh baby refrain from breaking my heart
I'm so in love with you
I'll be forever blue
That you give me no reason
Why you're making me work so hard

That you give me no
That you give me no
That you give me no
That you give me no

Soul, I hear you calling
Oh baby please give a little respect to me

And if I should falter
Would you open your arms out to me

We can make love not war
And live at peace in our hearts
I'm so in love with you
I'll be forever blue
What religion or reason
Could drive a man to forsake his lover

Don't you tell me no
Don't you tell me no
Don't you tell me no
Don't you tell me no

Soul, I hear you calling
Oh baby please give a little respect to me

[SHORT INSTRUMENTAL]

I'm so in love with you
I'll be forever blue
That you give me no reason
You know you're making me work so hard

That you give me no
That you give me no
That you give me no
That you give me no

Soul, I hear you calling
Oh baby please give a little respect to me

Soul, I hear you calling
Oh baby please give a little respect to me

QUEEN - DON'T STOP ME NOW

Tonight, I'm gonna have myself
A real good time
I feel alive

And the world
I'll turn it inside out yeah
I'm floating around in ecstasy

So don't stop me now
Don't stop me
'Cause I'm having a good time
Having a good time

I'm a shooting star
Leaping through the sky
Like a tiger
Defying the laws of gravity
I'm a racing car passing by
Like Lady Godiva
I'm gonna go, go, go
There's no stopping me

I'm burning through the sky, yeah!
Two hundred degrees
That's why they call me Mr. Fahrenheit
I'm travelling at the speed of light
I wanna make a supersonic man out of you

Don't stop me now
I'm having such a good time
I'm having a ball
Don't stop me now
If you wanna have a good time
Just give me a call

**Don't stop me now
'Cause I'm having a good time
Don't stop me now
Yes, I'm having a good time
I don't wanna stop at all**

**I'm a rocket ship on my way to Mars
On a collision course
I am a satellite
I'm out of control
I'm a sex machine ready to reload
Like an atom bomb
About to oh, oh, oh, oh, oh explode!**

**I'm burning through the sky, yeah!
Two hundred degrees
That's why they call me Mr. Fahrenheit
I'm travelling at the speed of light
I wanna make a supersonic woman of you**

**Don't stop me, don't stop me, don't stop me
Hey hey hey!
Don't stop me, don't stop me
Ooh ooh ooh
I like it
Don't stop me, don't stop me
Have a good time, good time
Don't stop me, don't stop me
Ohhhhhhh!**

[INSTRUMENTAL]

**Ohhhhhhh
Burning through the sky, yeah!

DOLLY PARTON - JOLENE

**Jolene, Jolene, Jolene, Jolene
I'm begging of you
Please don't take my man**

**Jolene, Jolene, Jolene, Jolene
Please don't take him
Just because you can**

**Your beauty is beyond compare
With flaming locks of auburn hair
With ivory skin
And eyes of em'rald green**

Your smile is like a breath of spring
Your voice is soft like summer rain
And I cannot compete with you Jolene

He talks about you in his sleep
And there's nothing I can do
To keep from crying
When he calls your name, Jolene

But I can easily understand
How you could easily take my man
But you don't know
What he means to me, Jolene

Jolene, Jolene, Jolene, Jolene
I'm begging of you
Please don't take my man

Jolene, Jolene, Jolene, Jolene
Please don't take him
Just because you can

You could have your choice of men
But I could never love again
He's the only one for me Jolene

I had to have this talk with you
My happiness depends on you
And whatever you decide to do Jolene

Jolene, Jolene, Jolene, Jolene
I'm begging of you
Please don't take my man

Jolene, Jolene, Jolene, Jolene

**Please don't take him
Even though you can
Jolene (Jolene)**

SOFT CELL - TAINTED LOVE

**Sometimes I feel I've got to
Run away
I've got to
Get away
From the pain you drive
Into the heart of me**

**The love we share
Seems to go nowhere
And I've lost my light
For I toss and turn
I can't sleep at night**

**Once I ran to you
Now I'll run from you
This tainted love you've given
I give you all a boy could give you**

**Take my tears and
That's not nearly all**

Tainted love - tainted love

**Now I know I've got to
Run away
I've got to
Get away
You don't really want
Any more from me**

To make things right
You need someone
To hold you tight
And you'll think love is to pray
but I'm sorry I don't pray that way

Once I ran to you
Now I'll run from you
This tainted love you've given
I give you all a boy could give you
Take my tears and that's not nearly all

Tainted love - tainted love
Don't touch me please!
I cannot stand the way you tease

I love you though you hurt me so
Now I'm gonna pack my things and go.

Tainted love - tainted love
Tainted love - tainted love
Touch me baby
Tainted love
Touch me baby
Tainted love

Tainted love - tainted love

Tainted love

Gloria Gaynor - I Will Survive

At first, I was afraid, I was petrified
Kept thinking I could never live
Without you by my side
But then I spent so many nights
Thinking how you did me wrong
And I grew strong
And I learned how to get along

And so you're back from outer space
I just walked in to find you here
With that sad look upon your face
I should have changed that stupid lock
I should have made you leave your key
If I'd known for just one second
You'd be back to bother me

Go on now, go, walk out the door,
Just turn around now
'Cause you're not welcome anymore
Weren't you the one
Who tried to hurt me with goodbye?
Did you think I'd crumble?
Did you think I'd lay down and die?

Oh, no, not I, I will survive
Oh, as long as I know how to love,
I know I'll stay alive
I've got all my life to live,
I've got all my love to give
And I'll survive,
I will survive, hey, hey

It took all the strength I had
Not to fall apart
Kept trying hard to mend
The pieces of my broken heart
And I spent, oh, so many nights
Just feeling sorry for myself
I used to cry
But now I hold my head up high

And you see me, somebody new
I'm not that chained up little person
Still in love with you
And so you felt like dropping in
And just expect me to be free
But now I'm saving all my loving
For someone who's loving me

Go on now, go, walk out the door,
just turn around now
'Cause you're not welcome anymore
Weren't you the one
Who tried to break me with goodbye?
Did you think I'd crumble?
Did you think I'd lay down and die?

Oh, no, not I,
I will survive
Oh, as long as I know how to love,
I know I'll stay alive
I've got all my life to live,
I've got all my love to give
And I'll survive,
I will survive, oh...

Go on now, go, walk out the door,
Just turn around now
'Cause you're not welcome anymore

Weren't you the one,
Who tried to break me with goodbye?
Did you think I'd crumble?
Did you think I'd lay down and die?

Oh, no, not I,
I will survive
Oh, as long as I know how to love,
I know I'll stay alive
I've got all my life to live,
I've got all my love to give
And I'll survive,
I will survive,
I will survive!

CYNDI LAUPER - GIRLS JUST WANNA HAVE
FUN

I come home
In the mornin' light
My mother says
"When you gonna live your life right?"

Oh momma dear
We're not the fortunate ones
And girls, they wanna have fun
Oh girls just wanna have fun...

The phone rings
In the middle of the night
My father yells
"What you gonna do with your life?"

Oh daddy dear, you know

**You're still number one
But girls they wanna have fun
Oh girls just wanna have**

**That's all they really want...
Some fun...**

**When the workin' day is done
Oh girls, they wanna have fun**

**Oh girls just wanna have fun
(Girls they want)
(Wanna have fun)
(Girls)
(Wanna have)**

[INSTRUMENTAL]

**Some boys take
A beautiful girl
And hide her away
From the rest of the world**

**I wanna be the one
To walk in the sun
Oh girls, they wanna have fun
Oh girls just wanna have**

**That's all they really want...
Is some fun...**

**When the workin' day is done
Oh girls, they wanna have fun
Oh girls just wanna have fun
(Girls, they want)
(Wanna have fun)
(Girls)
(Wanna have)**

**They just wanna
They just wanna**

**Oh girls
Girls just wanna have fun**

CHER - TURN BACK TIME

**If I could turn back time
If I could find a way
I'd take back those words that hurt you
And you'd stay**

**I don't know why I did the things I did
I don't know why I said the things I said
Pride's like a knife
It can cut deep inside
Words are like weapons
They wound sometimes.**

**I didn't really mean to hurt you
I didn't wanna see you go
I know I made you cry
But baby**

**If I could turn back time
If I could find a way
I'd take back those words that hurt you
And you'd stay**

**If I could reach the stars
I'd give them all to you
Then you'd love me, love me
Like you used to do**

If I could turn back time

**My world was shattered I was torn apart
Like someone took a knife
And drove it deep in my heart
You walked out that door
I swore that I didn't care
But I lost everything darling
Then and there**

**Too strong to tell you I was sorry
Too proud to tell you I was wrong
I know that I was blind
And oh...**

**If I could turn back time
If I could find a way
I'd take back those words that hurt you
And you'd stay**

**If I could reach the stars
I'd give them all to you
Then you'd love me, love me
Like you used to do**

Ohhhhh

**If I could turn back time
If I could turn back time
If I could - turn back time
ooh baby**

I didn't really mean to hurt you
I didn't want to see you go
I know I made you cry
Ohhhh

If I could turn back time
If I could find a way
I'd take back those words that hurt you

If I could reach the stars
I'd give them all to you
Then you'd love me, love me
Like you used to do

If I could turn back time (turn back time)
If I could find a way (find a way)
Then baby, maybe, maybe
You'd stay

ELTON JOHN - TINY DANCER

Blue jean baby, L.A. lady, seamstress for the
band
Pretty eyed, pirate smile, you'll marry a music
man
Ballerina, you must have seen her dancing in
the sand
And now she's in me, always with me
Tiny dancer in my hand

` Jesus freaks out in the street
Handing tickets out for God
Turning back she just laughs
The boulevard is not that bad

**Piano man he makes his stand
In the auditorium
Looking on she sings the songs
The words she knows, the tune she hums**

**But oh how it feels so real
Lying here with no one near
Only you and you can hear me
When I say softly slowly**

**Hold me closer tiny dancer
Count the headlights on the highway
Lay me down in sheets of linen
You had a busy day today**

**Hold me closer tiny dancer
Count the headlights on the highway
Lay me down in sheets of linen
You had a busy day today**

Bonnie Tyler - Total Eclipse Of The Heart

**(Turn around)
Every now and then I get a little bit lonely
And you're never coming round**

**(Turn around)
Every now and then I get a little bit tired
Of listening to the sound of my tears**

**(Turn around)
Every now and then I get a little bit nervous
That the best of all the years have gone by**

(Turn around)

Every now and then I get a little bit terrified
And then I see the look in your eyes

(Turn around, bright eyes)
Every now and then I fall apart

(Turn around, bright eyes)
Every now and then I fall apart

And I need you now tonight
And I need you more than ever
And if you only hold me tight
We'll be holding on forever
And we'll only be making it right
'Cause we'll never be wrong

Together we can take it to the end of the line
Your love is like a shadow on me all of the time
(all of the time)

I don't know what to do
And I'm always in the dark
We're living in a powder keg
And giving off sparks

I really need you tonight,
Forever's gonna start tonight
Forever's gonna start tonight

Once upon a time I was falling in love,
Now I'm only falling apart
There's nothing I can do...
A total eclipse of the heart

Once upon a time there was light in my life,
Now there's only love in the dark
Nothing I can say... a total eclipse of the heart

[INSTRUMENTAL]

[feel free to do some 80s power ballad dancing]

**(Turn around bright eyes)
Every now and then I fall apart**

**(Turn around bright eyes)
Every now and then I fall apart**

**And I need you now tonight
And I need you more than ever
And if you'll only hold me tight
We'll be holding on forever
And we'll only be making it right
Cause we'll never be wrong**

**Together we can take it to the end of the line
Your love is like a shadow on me all of the time
(all of the time)**

**I don't know what to do,
I'm always in the dark
We're living in a powder keg
and giving off sparks**

**I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight**

**Once upon a time I was falling in love
But now I'm only falling apart
Nothing I can say
A total eclipse of the heart
A total eclipse of the heart**
