THE WEATHER GIRLS: IT'S RAINING MEN

Hi - Hi! We're your Weather Girls
And have we got news for you!
You better listen!
Get ready, all you lonely girls
And leave those umbrellas at home, alright!

Humidity is rising
Barometer's getting low
According to all sources
The street's the place to go
Cause tonight for the first time
Just about half-past ten
For the first time in history
It's gonna start raining men

It's Raining Men! Hallelujah!
It's Raining Men! Amen!
I'm gonna go out, I'm gonna let myself get
Absolutely soaking wet!
It's Raining Men! Hallelujah!
It's Raining Men! Every Specimen!
Tall, blonde, dark and lean
Rough and tough and strong and mean

God bless Mother Nature

She's a single woman too
She took off to heaven
And she did what she had to do
She taught every angel
To rearrange the sky
So that each and every woman
Could find her perfect guy

It's Raining Men! Hallelujah!
It's Raining Men! Amen!
It's Raining Men! Hallelujah!
It's Raining Men! Ame-----nnnn!

I feel stormy weather moving in
About to begin
Hear the thunder, don't you lose your head
Rip off the roof and stay in bed!
God bless Mother Nature
She's a single woman too
She took off to heaven
And she did what she had to do

She taught every angel
She rearranged the sky
So that each and every woman
Could find her perfect guy

It's Raining Men! Hallelujah!
It's Raining Men! Amen!
It's Raining Men! Hallelujah!
It's Raining Men! Amen!

It's Raining Men! Hallelujah!
It's Raining Men! Amen!
It's Raining Men!

DIANA ROSS: I'M COMING OUT

I'm - coming - out
I'm coming
I'm - coming - out

I'm coming out
I want the world to know

Got to let it show
I'm coming out
I want the world to know
I got to let it show

There's a new me coming out
And I just had to live
And I want to give
I'm completely positive

I think this time around
I am gonna do it
Like you never knew it
Oh, I'll make it through

The time has come for me
To break out of the shell
I have to shout
That I am coming out

I'm coming out
I want the world to know
Got to let it show
I'm coming out
I want the world to know
I got to let it show

I've got to show the world
All that I want to be
And all my abilities
There's so much more to me
Somehow, I have to make them
Just understand
I got it well in hand
And, oh, how I've planned

I'm spreadin' love
There is no need to fear
And I just feel so good
Every time I hear

I'm coming out
I want the world to know
Got to let it show
I'm coming out
I want the world to know

I got to let it show
(I'm coming)

[repeat chorus]

CECE PENISTON: FINALLY

Meeting Mr. Right, the man of my dreams
The one who shows me true love
(or at least it seems)
With brown cocoa skin and curly black hair
It's just the way he looks at me
That gentle loving stare

Finally you've come along
The way I feel about you
It just can't be wrong
If you only knew the way I feel about you
I just can't describe it

Finally it has happened to me
Right in front of my face
My feelings can't describe it
Finally it has happened to me
Right in front of my face
And I just cannot hide it

It seems so many times
You seemed to be the one
But all he ever wanted was to have a little fun
But now you've come along
And brightened up my world
In my heart I feel it, I'm that special kind of girl

Finally you've come along
The way I feel about you it just can't be wrong
If you only knew the way I feel about you
I just can't describe it, oh no no

Finally it has happened to me
Right in front of my face
My feelings can't describe it
Finally it has happened to me
Right in front of my face and

I just cannot hide it

Finally it has happened to me
Right in front of my face
My feelings can't describe it
Finally it has happened to me
Right in front of my face and
I just cannot hide it

BRONSKI BEAT - SMALLTOWN BOY

To your soul - to your soul
Cry, cry, cry

You leave in the morning
With everything you own in a little black case
Alone on a platform
The wind and the rain on a sad and lonely face

Mother will never understand
Why you had to leave
But the answers you seek
Will never be found at home
The love that you need
Will never be found at home

Run away, turn away
Run away, turn away, run away
Run away, turn away
Run away, turn away, run away

Pushed around and kicked around
Always a lonely boy
You were the one that they'd talk about
Around town as they put you down
And as hard as they would try
They'd hurt to make you cry
But you never cried to them, just to your soul
No, you never cried to them, just to your soul

Run away, turn away
Run away, turn away, run away
Run away, turn away
Run away, turn away, run away

Run away, turn away
Run away, turn away, run away
Run away, turn away
Run away, turn away, run away

[INSTRUMENTAL]

Cry, boy, cry
Cry, boy, cry
Cry, boy, cry, boy, cry
Cry, boy, cry, boy, cry
Cry, boy, cry, boy, cry

You leave in the morning
With everything you own in a little black case
Alone on a platform
The wind and the rain on a sad and lonely face

Run away, turn away
Run away, turn away, run away
Run away, turn away
Run away, turn away, run away
Run away, turn away
Run away, turn away, run away
Run away, turn away
Run away, turn away, run away

SYLVESTER – YOU MAKE ME FEEL (MIGHTY REAL)

When we're out there dancin'
On the floor darlin'
And I feel like I need some more and I
Feel your body close to mine and I
Know my love it's about that time
Make me feel - mighty real
Make me feel - mighty real

You make me feel mighty real
You make me feel mighty real

When we get home darlin' and it's
Nice and dark and the
Music's in the air and
Still you're hot and you

Kiss me back and it
Feels real good and I
Know you love me
Like you shoooouuuld

Oh you make me feel mighty real
You make me feel mighty real

Make me feel - mighty real
Make me feel - mighty real
Make me feel - mighty real
Make me feel - mighty real

I feel real, I feel real
I feel real, I feel real
I feel real, I feel real
I feel real, I feel real

You make me feel mighty real
You make me feel mighty real
Oh you make me feel mighty real
You make me feel mighty real

DON'T STOP ME NOW - QUEEN

Tonight, I'm gonna have myself
A real good time - I feel alive
And the world... I'll turn it inside out, yeah!
I'm floating around in ecstasy
So don't stop me now
Don't stop me
'Cause I'm having a good time
Having a good time

I'm a shooting star leaping through the sky
Like a tiger, defying the laws of gravity
I'm a racing car passing by like Lady Godiva
I'm gonna go, go, go, there's no stopping me

I'm burning through the sky, yeah!
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm travelling at the speed of light
I wanna make a supersonic man out of you

Don't stop me now
I'm having such a good time, I'm having a ball
Don't stop me now
If you wanna have a good time
Just give me a call
Don't stop me now
('cause I'm having a good time)
Don't stop me now
(yes, I'm having a good time)
I don't want to stop at all

Yes, I'm a rocket ship on my way to Mars
On a collision course
I am a satellite, I'm out of control
I'm a sex machine ready to reload
Like an atom bomb, about to
Oh, oh, oh, oh, oh explode!

I'm burning through the sky, yeah!
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm travelling at the speed of light
I wanna make a supersonic woman of you
[CLAP YOUR HANDS]

Don't stop me, don't stop me
Don't stop me, hey, hey, hey!
Don't stop me don't stop me
Ooh ooh ooh (I like it)
Don't stop me, don't stop me
Have a good time, good time
Don't stop me, don't stop me ah...

[AIR GUITAR SOLO – GO FOR IT!]

I'm burning through the sky, yeah!
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm travelling at the speed of light
I wanna make a supersonic man out of you

Don't stop me now
I'm having such a good time
I'm having a ball

Don't stop me now
If you wanna have a good time
Just give me a call
Don't stop me now
('cause I'm having a good time)
Don't stop me now
(yes, I'm having a good time)
I don't want to stop at all

La da da da daah

MAMA CASS: MAKE YOUR OWN KIND OF MUSIC

Nobody can tell ya
There's only one song worth singin'
They may try and sell ya,
'Cause it hangs them up
To see someone like you
But you've gotta

Make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along

You're gonna be knowing
The loneliest kind of lonely
It may be rough going
Just to do your thing's the hardest thing to do

But you've gotta
Make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along

So if you cannot take my hand
And if you must be going
I will understaaaaaaaand

You've gotta
Make your own kind of music
Sing your own special song
Make your own kind of music Even if nobody else sings along

You're gonna be knowing
The loneliest kind of lonely
It may be rough going
Just to do your thing's
The hardest thing to do

You've gotta
Make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along

JUDY GARLAND: OVER THE RAINBOW

Somewhere over the rainbow
Way up high
There's a land that I heard of
Once in a lullaby

Somewhere over the rainbow
Skies are blue
And the dreams that you dare to dream Really do come true

Someday I'll wish upon a star
And wake up where the clouds are
Far behind me
Where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find me

Somewhere over the rainbow
Bluebirds fly
Birds fly over the rainbow
Why then, oh why can't I?

If happy little bluebirds fly
Beyond the rainbow
Why oh why can't I?

CHER: BELIEVE

No matter how hard I try
You keep pushing me aside
And I can't break through
There's no talking to you
So sad that you're leaving
Takes time to believe it
But after all is said and done
You're going to be the lonely one
Ohh oh

Do you believe in life after love?
I can feel something inside me say
I really don't think you're
Strong enough, no
Do you believe in life after love?
I can feel something inside me say
I really don't think you're
Strong enough, no

What am I supposed to do?
Sit around and wait for you?
Well I can't do that
There's no turning back
I need time to move on
I need love to feel strong
'Cause I've had time to think it through
And maybe I'm too good for you
Ohh oh

Do you believe in life after love?
I can feel something inside me say
I really don't think you're
Strong enough, no
Do you believe in life after love?
I can feel something inside me say
I really don't think you're
Strong enough, no

But I know that I'll get through this
'Cause I know that I am strong
I don't need you anymore
Oh I don't need you anymore

I don't need you anymore
No I don't need you anymore

Do you believe in life after love?
I can feel something inside me say
I really don't think you're
Strong enough, no
Do you believe in life after love?
I can feel something inside me say
I really don't think you're
Strong enough, no

Do you believe in life after love?
I can feel something inside me say
I really don't think you're

Strong enough, no
Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong enough

ABBA: DANCING QUEEN

You can dance, you can jive
Having the time of your life
See that girl, watch that scene
Diggin' the dancing queen

Friday night and the lights are low
Looking out for a place to go
Where they play the right music
Getting in the swing
You come to look for a king

Anybody could be that guy
Night is young and the music's high
With a bit of rock music, everything is fine
You're in the mood for a dance
And when you get the chance...

You are the dancing queen

Young and sweet, only seventeen
Dancing queen
Feel the beat from the tambourine

You can dance, you can jive
Having the time of your life
See that girl, watch that scene
Diggin' the dancing queen

You're a teaser, you turn 'em on
Leave them burning and then you're gone
Looking out for another, anyone will do
You're in the mood for a dance
And when you get the chance...

You are the dancing queen
Young and sweet, only seventeen
Dancing queen
Feel the beat from the tambourine

You can dance, you can jive
Having the time of your life
See that girl, watch that scene
Diggin' the dancing queen
Diggin' the dancing queen.

GLORIA GAYNOR: I AM WHAT I AM

I am what I am
I am my own special creation
So come take a look
Give me the hook or the ovation
It's my world
That I want to have a little pride in
My world
And it's not a place I have to hide in
Life's not worth a damn, 'til I can say
I am what I am

I am what I am
I don't want praise, I don't want pity
I bang my own drum
Some think it's noise, I think it's pretty
And so what if I love each sparkle

And each bangle?
Why not try to see things
From a different angle?
Your life is a sham 'til you can shout out
I am what I am

I am what I am
And what I am needs no excuses
I deal my own deck
Sometimes the ace
Sometimes the deuces
It's one life and there's no return
And no deposit
One life
So it's time to open up your closet
Life's not worth a damn
'Til you can shout out
I am what I am!

THE POINTER SISTERS: I'M SO EXCITED

Tonight's the night we're gonna make it happen
Tonight we'll put all other things aside
Give in this time and show me some affection
We're goin' for those pleasures in the night

I want to love you, feel you
Wrap myself around you
I want to squeeze you, please you
I just can't get enough
And if you move real slow, I'll let it go

I'm so excited, and I just can't hide it
I'm about to lose control and I think I like it
I'm so excited, and I just can't hide it
And I know, I know, I know, I know, I know
I want you

We shouldn't even think about tomorrow
Sweet memories will last a long, long time
We'll have a good time, baby, don't you worry
And if we're still playin' around, boy, that's just fine

Let's get excited, we just can't hide it
I'm about to lose control and I think I like it
I'm so excited and I just can't hide it
And I know, I know, I know, I know, I know
I want you, I want you

[INSTRUMENTAL – tricky piano solo - be kind 😊]

I want to love you, feel you
Wrap myself around you
I want to squeeze you, please you
I just can't get enough
And if you move real slow, I'll let it go

I'm so excited, and I just can't hide it
I'm about to lose control and I think I like it
I'm so excited, and I just can't hide it
And I know, I know, I know, I know, I know
I want you

I'm so excited (look what you do)
And I just can't hide it (you got me burning up)
I'm about to lose control and I think I like it (yeah)
I'm so excited (how did you get to me?)
I can't deny (I've got to give it up)
And I know, I know, I know, I know, I know
I want you, I want you!
